Phonics in Little Acorns class

Hayton Primary School follows the accredited synthetic phonics scheme 'Essential Letters and Sounds'.

Children work through learning the phonemes and graphemes in Phases 2-5 during Reception.

Phonics lessons take place daily and give children opportunities for both reading and writing within a lesson.

There are online books to support learning and home reading books are matched to children's learning in class.

There will be a Phonics information evening for parents on Tuesday 12th September. This will take you through the specific stages and objectives covered.

Homework

Children will be given a reading book matched to the Phonics teaching in class. This will be changed twice a week. Please record when you read in your child's reading record book.

We ask parents to read with their child a minimum of 5 times a week.

We take part in the schools 'Strive for 5' program, earning badges for reading 5 times a week for 5 weeks.

READING IS KEY!!!

If there is only one thing you can do with your child let it be to read, it has the greatest impact on their learning and a love of reading is the best gift you can give them.

Children are also asked to complete handwriting homework weekly which is sent home in a book. This is also matched to phonics and is a good way to practise writing and mark making.

Children will be given optional additional homework challenges each term linked to the topic and the areas of learning.

Mucky, Messy, Muddy Play!

We are extremely fortunate to have a wonderful, natural outdoor area for our children. Children have free access to the garden and Forest School based activities run by Mrs Bell. This is super way to grow our friendships and self-confidence. Children can dig, garden, explore, climb, balance and role-play. Little Acorns know that MUD IS GOOD!! Please dress your child appropriately, layers in the winter!
