Using Arbor and Booking and Billing of Breakfast and After School Club, Trips etc

We use a Management Information System called Arbor that also enables us to message parents and book and pay for clubs and trips etc. Arbor runs through a parent App. We ask that you download the App onto your mobile device ASAP. Parents have found from experience it is better to register via a computer before using the App

On the next page you will find instruction links that will give you information about how to download the app and use Arbor. You can check some of your child's details and book clubs etc. Also you can message school via the App or by email. Due to the costs of texts, they will rarely be used, we will use the Arbor App for most communications.

Once you have downloaded the Arbor Parent App please check your child/ren's record and update any areas that are incorrect. The changes you make will not be seen instantly by yourselves as they have to be accepted by school admin. However, it will make it easier for you to alert us of any changes in address, phone number, medical conditions etc in the future.

For Clubs you will only be able to book if you have funds in your child's club account unless you pay by childcare voucher (please inform Mrs McDonough if this is the case). We will still be able to add on last minute additions to most clubs and clubs are closed 2 hours (1 hour for Breakfast Club) before the session starts. For those that pay by childcare voucher, if you do not see this option available (we have to do it manually for every club) then please let Mrs McDonough know.

For those who do not have access to a mobile device, Arbor is accessed through <https://login.arbor.sc/>

If you have any queries or any problems, please contact Mrs McDonough office@hayton.cumbria.sch.uk

PLEASE NOTE:

- 1. For After School Club the first hour of the session will be charged if your child does not attend and the session has not been cancelled.**
- 2. At present you cannot cancel club sessions that are not required but if you message the office before the session closing time (13:30) your child will be removed from the register and no charge made.**
