

OUR OUTDOOR LEARNING JOURNEY

'LOVE, JOY, ASPIRATION, WONDER'

'OPTIMISM, ADAPTABILITY, KINSHIP, SERVICE'

'MIGHTY OAKS FROM LITTLE ACORNS GROW'

LOVE, JOY, ASPIRATION & WONDER.

- We began our Outdoor Learning Journey by 'noticing'. We selected a tree to observe over the year and sketched it.
- We also took part in a 'sensory' walk.

WE CONCENTRATED ON THE MANY SHADES OF GREEN....

...WITH ALL OF THE
YEAR GROUPS

WE HAVE BUILT DENS

- Working together, trying out ideas, re-thinking, and trying again.
- OPTIMISM
- ADAPTABILITY
- KINSHIP
- SERVICE

WE HAVE USED A FLINT AND STEEL TO START A FIRE.

- We have made our own 'char-cloth' to make starting a fire with a flint and steel possible.
- We cooked pizza bread on sticks and made s'mores.

DEN BUILDING AND SKETCHING

- Miss Carr even went for a ride in the 'campervan'!

THE YOUNGER CHILDREN BUILT DENS FOR THE THREE LITTLE PIGS

THEN THE BIG BAD WOLF CAME TO SEE IF HE COULD 'BLOW THEM DOWN!'

WE TRIED SOME ART IN THE
STYLE OF ANDY GOLDSWORTHY.

- We used shadows to enhance the artwork.

WE CONCENTRATED ON THE COLOURS OF THE LEAVES...

- ... and made more bread!

The background features a blue gradient with a starry pattern. On the right side, there are several circular UI elements, including a large circular gauge with numerical markings (0, 80, 100, 110, 120, 130, 140, 150, 160, 180, 190, 200, 210) and arrows, and smaller circular icons with arrows. The main text is centered in the upper half of the image.

THIS IS OUR 'OUTDOOR LEARNING JOURNEY SO FAR.

- Stay tuned for more installments!
