The Cumbria Golden Apple Education Awards

The entries for this year's awards have opened and we think we have had such a fantastic year in school, that we would love to be recognised across Cumbria for what we achieve on a daily basis for the children of our community. We would be 'over the

moon' if some of you would take the time to nominate our wonderful school for the award of 'Best Primary School of the Year'. If you would be so kind as to take the time to do this, the link is below or you can scan the QR code here:

<https://forms.office.com/pages/responsepage.aspx?id=0w9msPA-c0q0Tvk8KXvFWVPXKsAvJ9ljAoOwAdWHS9UN0tSM0xBQ04zSVZMNFIVUIFT1VGS1hUMC4u&route=shorturl>

Start of the school day:

Our school day officially starts at 8.50am. The school doors open at 8.40am, with the option of 'Drop Zone' at 8.30am. Children who are 'dropped' into 'Drop Zone' must be taken to the hall door. At 8.40am the main school doors open and children between Years 1 and 6 enter school, whilst our 'Little Acorns' continue to enter through the hall door. At 8.40am, children enter classrooms and begin their learning with their 'Morning Tasks'. The register is taken at 8.50am and lessons begin immediately afterwards.

The school doors and gate close at 8.50am. Staff who 'man' the gates each morning have classroom commitments which begin at 8.50am. We have quite a number of children who are arriving late for school. As a result, they are not starting their learning with their class and they are missing their 'Morning Task' input. They are also missing their registration, which is a legal attendance document, and are reported as 'late'. With the renewed focus from the government on attendance and punctuality, our school attendance officer checks on children who have a number of late marks as well as those children who have a higher rate of absence.

Please can I ask that your child arrives at school for our start of the school day. Thank you for your continued support with this.

Holidays in Term Time:

I would like to take this opportunity to remind parents that taking children out of school to go on holiday in term time is not and can not be authorised. Families who do so may be issued with 'fixed penalty notices and fines' - please see the attached letter as a reminder. Thank you for your continued support and understanding with this.

Hayton Open Garden Event—Sunday 18th May—CAKE DONATIONS URGENTLY NEEDED PLEASE

Each year, the village of Hayton come together to celebrate their beautiful gardens. People come from far and wide to visit the gardens and... have a cup of tea. Each year, our school provides refreshments—tea and cakes—and we are lucky enough to be able to keep any profits made from the event. Last year, we had very few cakes donated and, as a result, had to make multiple 'cake dashes' to Tesco and the Co-op! Please would you be kind enough to donate a cake (home-made or bought, buns, biscuits, scones....anything that constitutes a Sunday afternoon tea) in return for a non-uniform day on Friday 16th May?

Thank you for your support with this.—Please see attached poster for information.

WEAR IT LOUD DAY—WEDNESDAY

Thank you for all of the wonderful donations for the Tombola at the HCP May Day on Monday with the crowning of the May Queen. Unfortunately due to illness we did not get our visitor to teach us about what it is like to be deaf, we hope to rearrange this in the future.

KS1 Summer Reading Library Challenge

In association with Cumberland and Westmorland and Furness's School Libraries, we are taking part in their 'Dive into a good book' reading challenge. There are a list of books, which we have in school (and have stickers on to show they are part of the challenge) for the children to read. They will get a passport and collect stickers and a certificate if they read all of the books. The challenge finishes with the children voting for their favourite, which we send to the Library Service. The list of books is also attached to tis newsletter. Thank you for your continued support in working with us to entrench a love of reading with all of our children.

Also, if anyone is splitting any plants or have spares, they would happily donate then they would also appreciate them for their gardening work that they do as many evenings as possible.

Proverbs 22: 6 ***"Start children off on the way they should go, and even when they are old they will not turn from it."***

Dear Parent/Carer,

As you are aware, it is very important that your child/young person attends school every day, on time, if they are able to do so. Regular attendance helps children and young people to get the most out of their overall school experience, including their wellbeing, academic achievement, and future opportunities.

Starting in September 2024, the Department for Education have implemented a new national framework, ensuring standardised rules for all parents, schools, and local authorities regarding school attendance.

Under the new guidance parents have a responsibility to:

- Ensure your child/young person attends every day the school is open; except when a legal reason applies
- Notify the school as soon as possible when your child/young person is unexpectedly absent
- Book any medical appointments around the school day where possible
- Only request leave of absence in exceptional circumstances and do so in advance (please note: family holidays are not generally considered exceptional circumstances and all leave of absence requests are considered at the headteacher's discretion)

If your child/young person is absent without a valid reason, the local authority may intervene, and you could be issued a Fixed Penalty Notice (FPN) or be criminally prosecuted.

Under the new framework, schools must consider enforcement action if a child/young person has 10 or more unauthorised absences (equivalent to five days). While schools and local authorities will generally offer support to improve attendance first, persistent unauthorised absences or term-time holidays may result in an FPN or prosecution.

From August 2024, the fine amounts will increase to £80 if paid within 21 days, or £160 if paid within 28 days. If a second FPN is issued for the same child/young person within three years, the amount will be £160.

Parent/carers can incur a maximum of two FPNs, per child/young person, within a three-year period from the date of the first fine. If a third occasion is reached, further actions, such as a parenting order or prosecution, may be considered. Fines are issued separately to each parent.

Please refer to the attached sheet for detailed information on the National Framework for fixed penalty notices.

We hope this clarifies the legislation that schools and the local authority must follow regarding unauthorised absences during term time.

Yours Sincerely,

CHANGES TO FINES FOR UNAUTHORISED ABSENCES

With the introduction of the new National Framework for penalty notices, the following changes will come into force for fixed penalty notice fines issued for unauthorised absences recorded by schools after 19 August 2024.

Fixed Penalty Notices are issued in lieu of prosecution. The decision on whether to issue an FPN or prosecute rests with the Local Authority and is made on a case-by-case basis.

National threshold

There will be a single, consistent national threshold for when a penalty notice must be considered by all schools in England of 10 sessions (usually equivalent to five full school days) of unauthorised absence within a rolling 10 school week period.
For example: a five-day holiday would meet the national threshold.
The 10-school week period can span different terms or school years.

Who may be fined?

Penalty notice fines are issued to each parent who allows their child/young person to be absent from school.
For example: three siblings absent for term time leave would result in each parent who allowed the holiday receiving three separate fines.

First offence

The first time a penalty notice is issued for an unauthorised term time holiday, the fine amount will be:
£80 per parent, per child/young person if paid within 21 days, increasing to £160 if paid between days 22-28.

Second offence (within three years)

The second time a penalty notice is issued for unauthorised absence, the amount will be: £160 per parent (who allowed the holiday), per child/young person, payable within 28 days.

Third offence and any further offences (within three years)

The third time an offence is committed, a penalty notice will not be issued and local authorities will need to consider other available measures to address the absence concerns.
This may mean that cases are presented before a Magistrate's Court.
Prosecution can result in criminal records and fines of up to £2,500 and/or a term of imprisonment not exceeding three months.

Please note any monies collected through fines come back to Cumberland Council to facilitate attendance support and not to schools.

Wonderlab+

Are you looking for something fun to do online with your child? The Science Museum group have a wide array of activities, games and quizzes on their website:

<https://wonderlabplus.sciencemuseumgroup.org.uk/home>

Minecraft

Minecraft is rated as PEGI 7, meaning it is suitable for those over 7 years of age.

Minecraft is a game where players can create worlds using blocks. There are two different modes – creative and survival. In creative mode, users can build what they wish and have unlimited resources whereas in survival mode, players must gather resources, find food and defend themselves against mobs. Survival mode may include mild violence and scary characters.

You should be aware that there is a multiplayer option available where players can chat to each other. In-app purchases are also available to buy items such as skins, so ensure purchases are disabled or that a password or PIN is required to make them. Ensure appropriate parental controls are applied, on both Minecraft and the console itself. Find out more here:

Cyberbullying

What is cyberbullying?

Cyberbullying is a form of bullying that takes place online and can take many forms, such as sending malicious messages. Cyberbullying can happen at any time of the day, so often feels unrelenting. It can take place across many different platforms, such as on messaging apps like WhatsApp and Snapchat, on social media platforms such as Instagram and TikTok and via online games. Here are some examples of what cyberbullying can look like online:

- Sending nasty or hurtful messages
- Leaving unkind comments
- Sharing photographs of somebody else without their permission
- Excluding somebody on purpose
- Impersonating somebody with a fake account
- Telling/sharing lies
- Blackmailing

What should I do if my child is being bullied online?

If your child is being bullied, then try to stay calm and let them know that it is not their fault. It is always useful to keep evidence of any online bullying and inform their school so

that they are aware. Show your child how to block and/or report any users/content and review their privacy settings to limit what others can see. You may also wish to review/set up any available parental controls.

Further information

There is a vast amount of information available online about cyberbullying. The following links provide further information on types of online bullying, and who you can contact if you need any further advice or support.

What is Roblox?

Roblox is a platform consisting of a collection of games. Players can either create games or play games that other users have created. It is free to download (however subscription options and in game/app purchases are available) and can be played across numerous devices.

A lot of the content is user generated, which may mean not all games will be suitable for your child to view/play. If your child is playing Roblox, it is important to monitor what your child is accessing and set up appropriate parental controls.

PEGI rate Roblox with a Parental Guidance label, this is because it is difficult to rate due to the huge level of user generated content.

New Parental Features

Roblox have released three new parental controls for your child's Roblox account. These are:

1. **Friend blocking** - you can now block anyone on your child's friends list that you do not want them direct messaging.
2. **Experience blocking** – you can now block any specific experiences (games) that you do not want your child to access.
3. **Top game insights** - you can now see the 20 experiences (games) your child has spent the most time on in the last week.

How to best use location tracking apps within your family

Location tracking gives us the ability to see where somebody is via their smart device and is often one of the reasons children receive their first device.

Internet Matters have published an article discussing location tracking, including the benefits and risks and provide links to other supporting resources. You can read the article here:

<https://www.internetmatters.org/hub/expert-opinion/how-to-use-location-tracking-apps-in-your-family/>

JusTalk

Users can use this app to video chat, call, and text. There are two versions – JusTalk and JusTalk Kids with both versions having the option to unlock further functions via a premium subscription. JusTalk is rated as 12+ and JusTalk Kids is rated as 4+ on the App store.

Even though the apps may be rated as age appropriate for your child, there are still risks in using either version.

The Ineqe Safeguarding Group provide an overview of JusTalk, including the risks you need to be aware of:

Keeping up with technology

It can be difficult to keep up with what our children are doing online as it can change so quickly. UK Safer Internet Centre have published an article with suggestions on what we can do:
