Please indicate below the sessions that you would like your child to attend from _____ (enter date).

Currently, 15 hours of Nursery education per week are funded from the term after a child reaches his/her third birthday. In addition, a child may be entitled to a further 15 hours of funded Nursery provision if his/her parents/carers meet the Government's criteria and are deemed eligible.

Please note the charges are the current charges and may have a slight increase nearer to your child's start date but we will keep this to the minimum we have to charge and will let you know. Whilst we are aware our sessions are 3.25 hours long, we only allocate 3 hours of funding for them. This enables the nursery hours to run fully alongside our Reception children and keeps disruption to a minimum. We do however make a charge of £1 per morning or afternoon session or a £2 charge for attending all day to cover snacks and consumables.
