Parking and Consideration

The Police have been in touch regarding the parking and they have asked for any unlawful parking to be reported to the Police—so please can you call 101 or email the Police (<https://www.cumbria.police.uk/ro/report/asb/asb-v3/report-antisocial-behaviour/>)

with any reports so they can keep a log and tackle those drivers who are choosing not to park safely. Thank you

Clothing in school next week:

We have had enquiries regarding what children can wear in the hot weather. If this weather continues, you are more than welcome to send your child into school in their SCHOOL PE kit next week (not non-uniform) - that or their loose fitting uniform. For church and performances, we ask for children to wear their school uniforms. So please can children wear UNIFORMS on FRIDAY for the end of term service—and any Year 5 child who is part of the Year 6 Leavers' Performance on Wednesday evening—please can they come back into school for the evening in their school uniforms? Thank you.

SPF, Sun Hats and Water Bottles

Please ensure your child comes to school with SPF already applied and has additional cream in their bags for them to reapply throughout the day. We have a number of children who have NOT got a hat or water bottle in school—please make sure they have both so they are well-prepared for the weather. Thank you

If you have children at secondary school, their back to school start date may be different to ours. We are back to school on Wednesday 2nd September.

Nursery Places

Our current and future Nursery places are proving to be incredibly popular. If you or someone you know has a child who is due to start Nursery in the next year, please sign/add their name to our list as soon as possible as places for Nursery are limited. Thank you.

Toys ,Jewellery, Make-up and Nail Varnish in school:

Recently there has been a growing amount of toys being brought into school. Unless there is a specific reason for the toy, which has been agreed by the class teacher, all toys must be kept at home. This includes 'bag clips and charms'. There has also been an increase in jewellery—children can wear a small stud ear-ring if they have their ears pierced and they can take them out independently for PE. Otherwise jewellery is not part of our school uniform so please keep it at home too. Some pupils are wearing make-up for school. This is not part of the uniform either—Mrs. TB has wipes in her room if make-up needs removing but please do not let your child come to school wearing make-up or nail varnish. Thank you for your support with this.

Absence Reporting – Only on the day absences

Please report all illness/medical absences via the Arbor App – this cannot be used for requesting permission for other absences.

Absence on Arbor - Go to the home page of the Arbor app, click on the orange Quick Actions tab, click attendance, and on the right-hand side you will see a green box, click 'Log Absence'.

Please also remember you must cancel any booked school dinners for the day too. Thank you.

Dear Parents and Carers

Parking Around School – Keeping Our Children and Village Safe

I am writing following a significant increase in complaints from local residents and fellow parents regarding parking and driving during the school drop-off and collection times.

Hayton is a beautiful village with a particularly **narrow main road**, and the volume of traffic at the beginning and end of the school day means that **everyone must play their part in keeping our children, families, residents and other road users safe**.

Unfortunately, a number of vehicles have recently been observed parking or stopping illegally and dangerously, causing obstruction, reducing visibility and creating unnecessary risks for pedestrians—particularly our children.

Please remember:

- **Double yellow lines** mean **no waiting at any time**. You must not park on double yellow lines, regardless of the time of day, unless a specific exemption applies.

- **Single yellow lines** are subject to time restrictions. Parking is only permitted when the restrictions displayed on nearby signs allow it. Parking during restricted times is an offence. ****PLEASE**

NOTE – the Single Yellow Lines in Hayton have parking restrictions which mean you CAN NOT parking on them in between 8am and 4pm**

- The **Highway Code** states that drivers **must not park within 10 metres (32 feet) of a junction**, as this seriously restricts visibility for motorists and pedestrians.
- Please do not block driveways, dropped kerbs, pavements or access routes.

School Hill

We have received several complaints regarding vehicles **stopping at the bottom of the school hill and on the corner leading onto the hill** to drop off or collect children.

This is particularly dangerous because:

- visibility for approaching traffic is significantly reduced;
- children can unexpectedly step into the road from between parked vehicles;
- vehicles travelling up and down the hill have limited opportunity to react safely;
- traffic quickly becomes blocked on what is already a narrow road, creating further risks for emergency vehicles, residents and other road users.

Despite our additional efforts of placing cones at the bottom of the school hill, some parents continue to parking in front of them, with no regard or recognition of them being placed there for the safety of our children.

For the safety of everyone, **please do not stop, park or drop children off in these locations.**

One-Way System

We also ask all parents and carers to continue supporting the **voluntary one-way system** through the village during drop-off and collection times. This system was introduced to improve traffic flow and reduce congestion on our narrow village roads. It can only be effective if everyone follows it, and I would ask all families to do so out of courtesy for one another and for our local residents.

Voluntary One-Way system through Hayton between 8.30am and 9am and 3.10pm and 3.45pm to avoid congestion at school drop-off and pick-up time

Police Involvement

The school has no legal powers to enforce parking regulations. However, due to the number of complaints received, I have now contacted the police again to discuss the ongoing concerns and all future complaints received by the school will be forwarded to the police for their information and consideration.

If you witness parking that is illegal or poses a danger to others, this should be reported directly to the police by calling **101** (or **999** if there is an immediate risk to life or a serious emergency). This enables the appropriate authorities to investigate and take enforcement action where necessary.

I appreciate that parking around school can be challenging, and I would like to thank the many parents and carers who already park responsibly, show consideration for our neighbours and help keep our children safe.

By working together, we can ensure that Hayton continues to be a safe, welcoming village and that our school remains a positive part of our local community.

If you rely on people to pick up and drop off your children who will not receive this information, please make sure you pass this onto them.

Thank you for your understanding, support and cooperation.

Yours sincerely

Mrs. S. Threlkeld-Brown

"Mighty oaks from little acorns grow"

Our School Prayer

Loving God,
We come to You,
Thankful for our school so true.
Built on love, a family strong,
Learning, growing, all belong.

Fill our hearts with joy each day,
Guide our dreams in aspiration's way.
Open our eyes with wonder to see,
The world You've made for you and me.

Bless our teachers, friends, and all,
Keep us safe within Your call.
From little acorns, may we grow,
As mighty oaks Your love will show.

Amen.
