Parent Carers Cumberland

Promoting and improving the opportunities for parent carers in Cumberland.

family-action.org.uk

Who are Parent Carers Cumberland?

We work with parent carers (a parent or other primary caregiver who provides ongoing, substantial support and care to a child or young person with additional needs) in Cumberland to help them to access the right support at the right time. The child, or children, may have mental health concerns, be ill or disabled. The child may be over 18.

How we help

All parent carers benefit from an assessment to identify what support is needed based on their individual situation.

Support includes:

- a personal Parent Carer assessment – linked to wellbeing principles,
- a bespoke support plan, planning for needs identified,
- further referrals where needed (i.e., to Social Care)
- support to access peer groups in Cumberland
- signposting to other services, information and advice that could be helpful.

We work closely with Parent Carers to ensure their voices – as well as those of their children – are heard.

Are you a Parent Carer?

Parent carers are primary caregivers who care for a child, or children, that requires substantial support and care.

Not all parents are classed as 'parent carers'. Parent carers are those with parental responsibility who provide regular, unpaid care for their child beyond the typical parenting role.

This may be because the child:

- has a disability,
- a long term illness,
- experiences mental ill health, or
- has a problem linked to alcohol or drugs.

The child does not need to be under 18 years of age.

Every parent carer's life looks different, but you may be frustrated and not knowing where to turn as well as feeling increasingly isolated.

If you believe you might be a Parent Carer, you may be able to benefit from our support.

Young Carers Cumberland

Promoting and improving the health and wellbeing of young carers and their families.

We work with young carers (those aged 18 and under who have caring responsibilities) to help give them individualised support to help them thrive.

We work with each individual, as well as their family, to reduce caring needs where we can and help the young person to have as normal a life as possible – where they have access to the opportunities that others their age have.

Referrals

We welcome referrals from young people, parents and carers as well as professionals.

Visit our website to find out more and access our referral form – scan the QR code.

What is a young carer?

Young carers are children and young people, who help with practical or emotional tasks at home.

This may be because someone in their family has a disability, a long term illness, experiences mental ill health or has a problem linked to alcohol or drugs.

It may be that a family member is distressed or overwhelmed,

- reminding them or, or taking them to appointments,
- taking care of young brothers or sisters or family members,
- help with household tasks, e.g., cooking, cleaning, washing, shopping and paying bills,
- collecting prescriptions or helping the person you look after to take medication...

Every young carer's life looks different but helping to care in such a way often means that they might miss out on other opportunities. They may feel that they don't have enough time for themselves, friendships, homework or out of school activities.

How we help

All young carers that are referred benefit from an assessment to identify what support we can help them with, based on their individual situation.

Support may include a personal support plan (following their Young Carer Needs Assessment), 1:1 support sessions, whole family support, opportunities to meet other young carers, support with school or college, and signposting to other services, information and advice that could be helpful for the individual young person and family.

Who are Family Action?

Family Action is an award-winning national charity that works from the heart of local communities to support people through change, challenge and crisis.

We protect children, support young people and offer direct, practical help to families. It's what we've done for over 150 years.

"Mighty oaks from little acorns grow"

Our School Prayer

Loving God,
We come to You,
Thankful for our school so true.
Built on love, a family strong,
Learning, growing, all belong.

Fill our hearts with joy each day,
Guide our dreams in aspiration's way.
Open our eyes with wonder to see,
The world You've made for you and me.

Bless our teachers, friends, and all,
Keep us safe within Your call.
From little acorns, may we grow,
As mighty oaks Your love will show.

Amen.
