Dear Parents

Booking and Billing of Breakfast and After School Club

The booking and billing of all Breakfast and After School Club Sessions is managed by parents/carers on-line, via School Gateway. If you do not have access to a computer, or to a mobile device from which you can access the internet, please come to the school office and we will make a computer available to you.

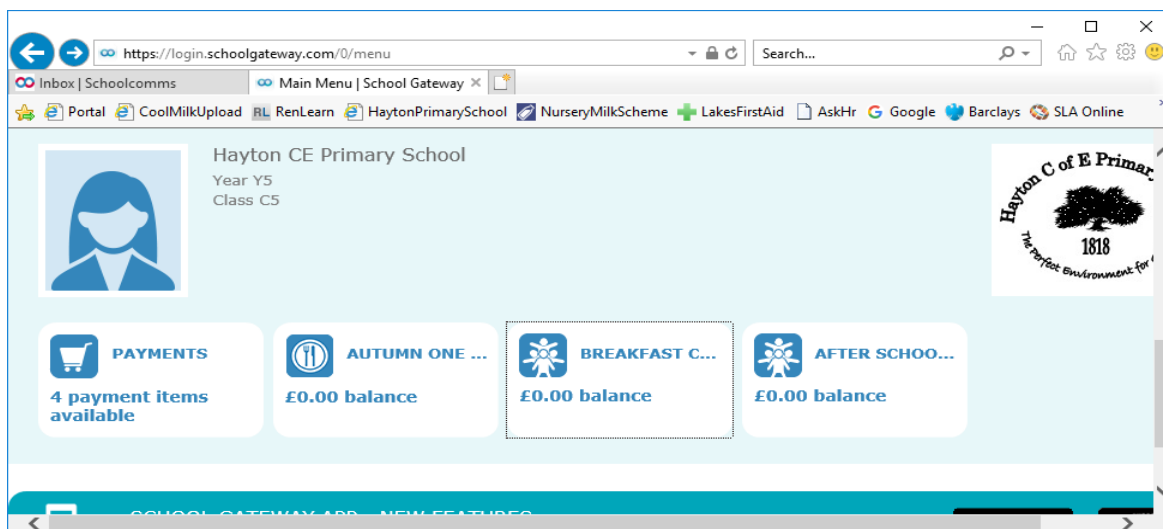

Instructions on how to book sessions are below:

Parents/carers will log into their School Gateway account

If you have never used School Gateway before:

EITHER Download School Gateway from your app store (Android and iPhone) OR Visit the website: www.schoolgateway.com and click on 'New User'. You'll receive a text message with a PIN number. Use this PIN to login to School Gateway.

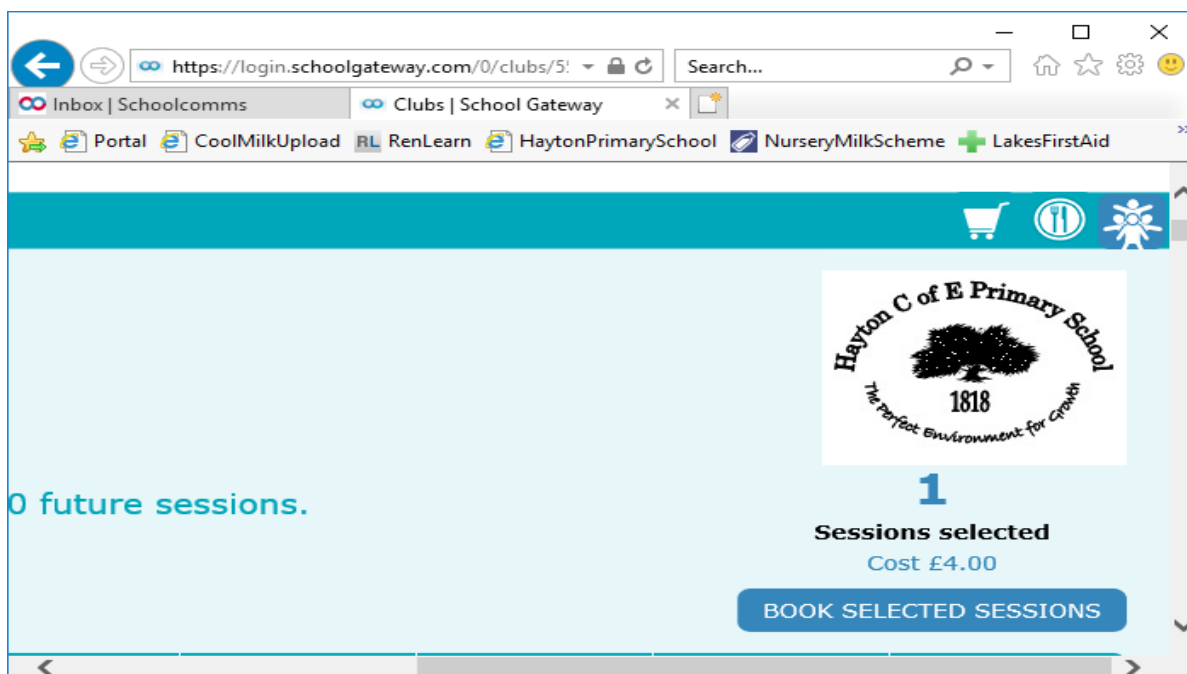

1. Login to your School Gateway Account.
2. Select the relevant Clubs option where you will be able to choose the days on which you would like your child to attend. We recommend you select the option to pay after the session has been attended and not before.

3. Select the relevant dates for the club – for **After School Club**, please book the **Full Session** and it will be adjusted to the correct amount once the attendance has been recorded for your child.
