

Hayton CE School Sports Premium 2019-20

The Sports Premium grant is ring-fenced and must be used to fund improvements to the provision of PE and sport for the benefit of pupils aged 5 – 11 years old, so that all pupils develop healthy lifestyles.

Allocations for the academic year 2019-20 are calculated using the number of pupils in Years 1 to 6, as recorded in the January 2019 census as follows:

Schools with 17 or more eligible pupils receive £16,000 plus £10 per eligible pupil.

Schools with 16 or fewer eligible pupils receive £1000 per eligible pupil.

The Sport Premium is to fund Physical Education, School Sport and Physical Activity, to make additional and sustainable improvements in the quality of PE and sport offered to pupils.

These are the five key indicators where improvement is expected:

- 1) The Engagement of all pupils in regular physical activity-the Chief Medical Officer guidelines recommend that all children and young people aged 5-18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.
- 2) The profile of PE and sport is raised across the school as a tool for whole school improvement.
- 3) Increased confidence, knowledge and skills of all staff in teaching PE and sport
- 4) Broader experience of a range of sports and activities offered to all pupils.
- 5) Increased participation in competitive sport.

At Hayton School we believe that physical education is an important part of our children's education, and recognise its contribution to the health and wellbeing of our pupils. We believe that an innovative, varied P.E. curriculum along with extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children.

As part of our partnership with the William Howard Primary Consortium and the Carlisle School Sports Association we have been able to take part in a variety of competitions and festivals. There were events planned for the summer term, which, given the COVID 19 situation didn't take place.

Competitions:

Six aside football tournament, cross country X2, netball tournament, swimming X2 and gymnastics.

Festivals:

Gymnastics, KS1 Multi Sports , KS1 Trampoline and multi skill, KS2 Trampoline and Badminton
Yr 5&6 Badminton & Yr 3&4 Lacross.

These activities allow pupils to mix with other children from other schools, which is particularly important for the Year Six children during their transition to secondary school.

Curriculum

Throughout the school year the pupils have been coached and taught a variety of skills and sports. The following skills and games have been taught at an age appropriate level to most year groups:

Football, basic skills, multi skills, tag rugby, dance, gymnastics, netball and swimming.

We have also been able to run some intra school competitions to allow all pupils to take part in competitive sport.

Pupils have also had the opportunity to attend extra-curricular clubs, a football match at Carlisle United and an outdoor and adventurous residential.

Below are the details of how we have spent our Sports Premium
