It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) (Ofsted 2019 p64) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education criteria](#) (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and Sport Premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit [gov.uk](#) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils’ PE and sport participation and attainment by the end of the summer term or by **31st July 2020** at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2020. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Due to the current COVID 19 situation, this document is based in some parts on intent, as the summer term and all that was planned did not happen as expected.

Key achievements to date until July 2019:	Areas for further improvement and baseline evidence of need:
<p>We have used a range of coaches to teach CPD and to inspire the children in a variety of sports.</p> <p>Increased the number of children participating in competitive sport, both local competitions and within the school.</p> <p>Wheelchair Basketball Champion visited and children were able to participate in activities in wheelchairs leading to a greater understanding of the diversity of sport. They listened to the champions inspiring story.</p> <p>After School Clubs - High take up of children attending after school and lunchtime sports clubs. A number of Healthy living after school clubs have been available to the children this year, mindfulness and Gardening Club – link with growing food for healthy living. Achieved a 10 Year Award from the National Open Gardens Scheme (this also has a community link) and RHS 5 Star Gardening School Award, and took part in Cumbria In Bloom last year</p> <p>Healthy Families Cumbria Award for both EYFS and Primary.</p> <p>Fruit is provided for KS 2 to encourage healthy eating habits.</p> <p>Carlisle United have worked with pupils, delivering a range of sports and activities with CPD opportunities. A Rising Stars program was booked for the summer term, where the teacher works with the coaches to deliver high quality PE, and the coaches teach PSHE and will assist with curriculum delivery. We chose reading to help inspire reluctant readers.</p> <p>All children are encouraged to participate in the 100 mile challenge and encouraged to walk/cycle/scoot to school with the Feet First initiative.</p> <p>PE subject leaser attended webinars and zoom meetings about Social Distancing in PE to ensure the school is ready to deliver a high quality PE Curriculum in 2020-2021.</p>	<p>Continued CPD to help teachers become confident in delivering high quality PE lessons.</p> <p>Introduce new sports to school, which can be played both in PE lessons and as after school/ lunchtime clubs.</p> <p>To introduce the Active Mile, this will run along with the 100 mile challenge.</p> <p>Enrol with Mini Me Yoga / Cosmic Kids Yoga to make this available for all classes.</p> <p>Send out a questionnaire to the children in September to find out which sports and clubs they would like to participate in, and try to offer these if possible.</p> <p>Send out a questionnaire to staff to ensure the correct CDP is in place for the next academic year.</p>

Meeting national curriculum requirements for swimming and water safety.	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020. (Figures from End of Year 5)	92%
