

HAYTON CE PRIMARY SCHOOL

COVID-19

KEY WORKERS – EMPLOYMENT DETAILS AND AUTHORISATION

Parents whose work is **critical** to the COVID-19 response include those who work in health and social care and in other key sectors (see Appendix below).

Many parents working in these sectors may be able to keep their child at home and every child who can be safely cared for at home should be.

If your work is critical to the COVID-19 response, or you work in one of the critical sectors, and you cannot keep your child safe at home then your children can attend school from Monday 1 June.

If your jobs fall within the categories listed below, please **confirm with your employer that your specific role is necessary** and that you must go to work.

If this is the case then the attached form should then be completed by you and authorised by your employer.

Please be responsible and only make use of this provision if absolutely necessary.

APPENDIX: CRITICAL SECTORS

Health and social care

This includes but is not limited to doctors, nurses, midwives, paramedics, social workers, care workers, and other frontline health and social care staff including volunteers; the support and specialist staff required to maintain the UK's health and social care sector; those working as part of the health and social care supply chain, including producers and distributors of medicines and medical and personal protective equipment.

Education and childcare

This includes nursery and teaching staff, social workers and those specialist education professionals who must remain active during the COVID-19 response to deliver this approach.

Key public services

This includes those essential to the running of the justice system, religious staff, charities and workers delivering key frontline services, those responsible for the management of the deceased, and journalists and broadcasters who are providing public service broadcasting.

Local and national government

This only includes those administrative occupations essential to the effective delivery of the COVID-19 response or delivering essential public services such as the payment of benefits, including in government agencies and arm's length bodies.

Food and other necessary goods

This includes those involved in food production, processing, distribution, sale and delivery as well as those essential to the provision of other key goods (for example hygienic and veterinary medicines).

Public safety and national security

This includes police and support staff, Ministry of Defence civilians, contractor and armed forces personnel (those critical to the delivery of key defence and national security outputs and essential to the response to the COVID-19 pandemic), fire and rescue service employees (including support staff), National Crime Agency staff, those maintaining border security, prison and probation staff and other national security roles, including those overseas.

Transport

This includes those who will keep the air, water, road and rail passenger and freight transport modes operating during the COVID-19 response, including those working on transport systems through which supply chains pass.

Utilities, communication and financial services

This includes staff needed for essential financial services provision (including but not limited to workers in banks, building societies and financial market infrastructure), the oil, gas, electricity and water sectors (including sewerage), information technology and data infrastructure sector and primary industry supplies to continue during the COVID-19 response, as well as key staff working in the civil nuclear, chemicals, telecommunications (including but not limited to network operations, field engineering, call centre staff, IT and data infrastructure, 999 and 111 critical services), postal services and delivery, payments providers and waste disposal sectors.
