'Feet First' – The Walk or Wheel Once a Week Scheme 2021

Our school has again been asked to take part in 'Feet First' organised and run by Cumbria County Council's Active Travel team. The initiative, which has been running for some years, builds on the success of the 'WOW' (Walk or Wheel Once a Week) scheme that has been running successfully for more than 15 years at our school. Our school is recognised as one of the nine 'Champion Schools' in Cumbria that go the extra mile to promote active travel to and from school.

Children who walk to school arrive alert and ready to learn so our aim is to improve the health and fitness of our young children and reduce congestion and the hazard of traffic outside school. We hope that our children will enjoy taking part in 'Feet First' and that, as well as picking up road safety skills, they will be encouraged to think about the environmental and health benefits of walking, cycling or scooting to school. If your child has to travel a long distance by car, or is part of a car share why not park a little further from the school so your child can walk, cycle or scoot the rest of the way (Park & Stride/Ride/Glide).

If you join the scheme, your child will receive a fun Puzzle Book to take home. If they manage to travel to and from school by walking, cycling or scooting at least once a week this term they will receive an exciting badge.

Our bike and scooter storage system, which was provided free of charge as part of our on-going active participation in the scheme, is located at the front of the school for everyone to use. All you need to provide is a bike chain and padlock to keep your bike or scooter secure.

If your child/children would like to take part in Feet First 2021 please fill in the form below and return it to school by Friday 23rd April and they will be included.

Yours sincerely

J Horn
