Collecting Children from After School Club

Currently, due to Covid-19 guidance, parents are not allowed to enter the school premises.

Therefore, when collecting children from After School Club please go to the **Hall** door and ring the bell. A member of staff will bring your child to the door so you can collect and sign them out from school.

However, if there is an alternative event taking place in the Hall, the children will go into the **Year 1 classroom**. Staff will put a sign outside the Year 1 classroom to indicate when they are in there. In this case, please go to the brown single door that is directly opposite the gated courtyard entrance, where a member of staff will bring your child to the door so you can collect and sign them out from school.

Cancellation Procedures

If you need to cancel your booking, please amend via the School Gateway app if before 3pm the day before the required day or if after 3 pm or on the required day please send a text to the school using the school text system (01228 830123 – **Please note:** this number cannot take calls only texts). Failure to cancel your child's place will result in a 1 hour charge.

If your child/ren leave school unexpectedly early, due to illness or any other reason, please remember to cancel their After School Place by notifying the school office when you collect them, otherwise After School Club may not be aware that the child/ren are not in school and will be looking for them.
