### **Newsletter Update**

Thank you to those parents who gave their feedback about the new newsletter format we launched this academic year. It has been a big hit. For those parents who said they preferred the old style, we will continue to provide these on our website under the newsletter section.

### **Supervision of Children at Start of the School Day**

Please can we remind parents that it is their responsibility to ensure that their children arrive safely at school. Some children are walking unaccompanied up the school hill and we cannot guarantee that there will always be a member of staff outside the school gate to supervise them arriving, although we do our best to be there as much as possible. The area we call the school hill is actually a public highway and parents need to be mindful that we do have cars driving up or down this road during arrival and departure times. From Monday, one parent has already kindly volunteered to help with traffic monitoring and general safety awareness on the school hill. If any of you think you could also spare some time to help, please do get in touch with me.

### **Friends of Hayton School - Parent Teacher Association**

Don't forget to come along and join the members of the PTA at their meeting on 23rd September at 7.30pm in the School Hall.

### **William Howard School Tours for 2022 Admissions**

William Howard are holding pre-booked school tours on Wednesday, 22 September, instead of the previously advertised Open Evening. Please note that access to the school on 22nd September is only available if you have pre-booked a tour. Tour times are available from 5.30pm to 7.30pm. To book a tour, please call William Howard School on 016977 45700.

### **E-School Nurse Video Clinic**

Twice weekly online health support and advice for parents, carers and professionals, supporting children and young people aged 5-19 years old. Tuesday and Thursday during school term only. You will be able to talk to the nurse over a live video link that is private, secure, confidential and convenient for you. In consultation with you, the nurse will assess the child or young person's health problem and provide you with the support and advice needed. For more information on the E-School Nurse video clinic please call 01228 603973 (Monday - Friday 08:00-16:00) or visit:
