

### **Covid-19 – Public Health Latest Guidelines Reminder**

- **Children and young people aged between 5 and 16 are now advised to stay at home (unless exempt – see below) when a sibling tests positive for COVID-19 via either a PCR or Lateral Flow test.**
- 3-5 days after the onset of symptoms in the sibling who has tested positive (or test date if the positive case had no symptoms), the close contact child should get a PCR test.
- If negative, they can return to school, but should isolate immediately and get another test if they develop symptoms of COVID-19 later.
- The groups exempt from this advice are:
  - 12–18-year-olds who have had at least one dose of the vaccine more than 14 days ago
  - Any child aged between 5 – 16 who has tested positive for COVID-19 via a PCR test within the past 90 days.

### Additional advice

- Any parents or carers who still want their child to continue to attend school have the right to do so. **In these situations, we strongly advise the child or young person identified as a sibling close contact to get a PCR test before attending school.**
- Anyone who develops symptoms of COVID-19 should get a PCR test and stay at home until the result is known. Individuals informed by Test & Trace to isolate should stay at home for the time advised.

### **Nature's Calendar at Talkin Tarn, Sunday 3<sup>rd</sup> October. 10am-1.30pm**

Come and celebrate the changing of the seasons and learn how to record the signs of autumn in your area for the Woodland Trust's Nature's Calendar database. We'll head out on a family friendly walk to encounter trees in their autumn colours and then look at how you can upload your own records into Nature's Calendar. This session is part of the Fellfoot Forward Landscape Partnership Scheme. We're especially hoping to bring families together for this event, but everyone who wants to learn a bit more about trees and get more in touch with the changing of the seasons is welcome. Bring a packed lunch or picnic. Booking essential. To find out more and to book <https://www.northpennines.org.uk/event/nature-calendar-talkin/>

### **'Share a Book Every Day' 11 October 2021**

Cumbria Children's Services want to promote 'Share a book every day' with Early Years children at home with their family and friends. Sharing books with children is fun, it can be a time for closeness, laughing and talking together and it can also help your child to become a lifelong reader and have a love of books. There is no right or wrong way of doing it and it is never too early to start reading to your child. For more information see the web page link <https://www.cumbria.gov.uk/childrenservices/childrenandfamilies/cfis/shareabook.asp> where you can find lots of ideas for sharing books with children to help them develop a love of reading and looking at books.

### **Road Closure Thursday 14th October**

The road from the A69 at Edmond Castle turn off to Castle View will be closed for one day on 14th October 2021.

### **Packed Lunches and Snacks**

Please can we remind parents not to send their children in with nuts or nut-based products due to nut allergies in school and to provide a healthy balance of foods designed with their own child's tastes in mind. We discourage fizzy drinks in lunch boxes. Cold water taps or coolers are installed in classrooms to allow children access to fresh water at all times. At morning break, all children receive a piece of fruit or vegetable free of charge. Sweets, crisps etc. are not permitted. Milk is available free of charge to children under 5 and at a subsidised rate for older children.
