Jeffers 'Reach for the Stars' Homework – Autumn Term 2023

Science: Living things - Habitats: Find out about an animal that lives in a hot or cold place or make a habitat in a shoe box.

English: Read some more books by our class author 'Oliver Jeffers'.

Geography: Would you rather live in a hot or cold country? Can you produce a poster to persuade someone to visit?

History: Interview a parent or grandparent. Find out what school life was like in the past? How was it the same and different to school today?

English: Write some instructions on how to look after an animal of your choice. It could be a pet or a wild animal.

Geography: Name and locate the seven continents on a world map.

'Reach for the Stars' Homework challenges!

Over the term, we would like you choose a different challenge each fortnight. There are lots to choose from – over the term you only need to complete SIX!

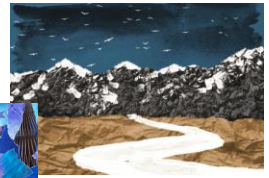
Hand-in dates:

- 22nd Sept
- 6th Oct
- 20th Oct
- 10th Nov
- 24th Nov
- 8th Dec

English: sentence writing practice – using '2A' sentences, find a picture or anything you like and write as many '2A' sentences as you can. Don't forget capital letters and full stops too!

Maths: You want to buy a new pet. Find out how much it would cost to buy some items that it would need such as a collar, bed, toys, food.

Art: Create a picture of a cold or hot place using collage.



Science: Living things – Microhabitats: Make a poster about a minibeast that lives in a microhabitat.

Art and Design: make a minibeast out of junk modelling materials.
