Rotakids Fundraising

After a meeting this morning, we have provisionally booked Thursday 7th December for the school's 'Reindeer Run' in aid of Jigsaw Hospice. The Rotakids will be sending out more information about the event shortly but if you have any reindeer costumes, please dig them out for this.

This Week's 'Big Question'

This week's 'BIG' question, linked to current events, is :

'Can ANYONE break a world record?' It is linked to the Christian value of 'SERVICE' and our values of Love, Joy, Aspiration and Wonder.

Please see the attached prompt. If you would like to talk to your child about the 'BIG' question of the week, that would be fantastic! Thank you for your support.

In the news this week

The 2024 edition of the Guinness World Records has been released. This year, over 30,000 applicants submitted their achievements, but only 2,638 records were selected for the edition, which features more than 80% new and updated records. The annual collection of records has run since 1955, when it was first inspired by the question 'What's the fastest game bird in Europe?'. Its latest edition is themed around the Blue Planet, with a number of records celebrated, including those set by impressive marine creatures, adventurous sailors and record-breaking lakes, rivers and icescapes.

Things to talk about at home ...

- > Do you know any world records?
- > If you were to attempt a world record, what do you think you would try to do and why?
- > What do you think the benefits would be of setting or breaking a world record?

Can anyone break a world record?
