

Shackleton Homework – Autumn Term

<p>Science: We have been looking at human and animal skeletons, could you do a presentation about different types of skeleton and their function?</p>	<p>English: Read a Non-fiction book about Antarctica and produce a fact file on what you learn.</p>	<p>Geography: Antarctica and the Arctic. Produce a presentation about the similarities and differences between the two ends of our Earth.</p>	<p>History: Stone Age to Bronze Age Write an adventure story set in the Stone, Bronze or Iron Age...Or all three! You could illustrate it too.</p> 
<p>English: Create a Newspaper Article based around Shackleton's famous journey.</p> 	<p>'Reach for the Stars' Homework challenges!</p> <p>Over the term, we would like you choose a different challenge each fortnight. There are lots to choose from – over the term you only need to complete SIX!</p> <p>Hand-in dates:</p> <ul style="list-style-type: none">• 25th September• 9th October• 30th October• 13th November• 27th November• 11th December 		<p>RE:</p> <p>Can you re-tell a story about a woman from the Bible? Could you modernize it and base it in 2023!</p>
<p>Art: Take inspiration from Anthony Caro and create your own inspired sculpture from 'found' objects.</p>			<p>DT: With adult supervision, cook a meal using only ingredients that would have been available in the Stone, Iron and Bronze Age. Tell us all about it. Photos please!</p>
<p>Maths: See Mrs Hawkswell for a selection of Maths problem solving challenges!</p> 	<p>Geography: We have been learning about maps. Navigate on a journey, and spot features you can see.</p>	<p>History: Create a diorama of a stone Age village.</p>	<p>P.E: Devise exercises to target different areas of the body. Produce a small booklet of your exercises.</p>
