

PHYSICAL EDUCATION POLICY

Date: March 2019

Signed:

Review: March 2020

1. Aims

To develop practical skills in order to participate, compete and lead a healthy lifestyle.

2. Objectives

- The ability to acquire new knowledge and skills exceptionally well and develop an in-depth understanding of PE.
- The willingness to practise skills in a wide range of different activities and situations, alone, in small groups and in teams and to apply these skills in chosen activities to achieve exceptionally high levels of performance.
- High levels of physical fitness.
- A healthy lifestyle, achieved by eating sensibly, avoiding smoking, drugs and alcohol and exercising regularly.
- The ability to remain physically active for sustained periods of time and an understanding of the importance of this in promoting long-term health and well-being.
- The ability to take the initiative and become excellent young leaders, organising and officiating, and evaluating what needs to be done to improve, and motivating and instilling excellent sporting attitudes in others.
- Exceptional levels of originality, imagination and creativity in their techniques, tactics and choreography, knowledge of how to improve their own and others' performance and the ability to work independently for extended periods of time without the need of guidance or support.
- A keen interest in PE. A willingness to participate eagerly in every lesson, highly positive attitudes and the ability to make informed choices about engaging fully in extra-curricular sport.
- The ability to swim at least 25 metres before the end of Year 6 and knowledge of how to remain safe in and around water.

3. Teaching & Learning

The teaching of Physical Education includes a combination of class teachers, teaching from a PE specialist and Carlisle United Football Club. In addition we have weekly lunchtime football and running clubs and regular after-school clubs. As a school we take up opportunities to be involved in Consortium, Cumbrian and National competitions. Within school we also hold half termly inter-school sports with a strong emphasis on sportsmanship and enjoyment of the game.

4. Planning

Teachers from Foundation Stage to Year 6 will plan to ensure full coverage of the skills relating to the Physical Education curriculum for that year group throughout the year.

Key Stage 1	Key Stage 2
<ul style="list-style-type: none"> • Participate in team games, developing simple tactics for attacking and defending. • Perform dances using simple movement patterns. • Swimming and water safety: take swimming instruction either in Key Stage 1 or Key Stage 2. 	<ul style="list-style-type: none"> • Play competitive games, modified where appropriate, such as football, netball, rounders, cricket, hockey, basketball, badminton and tennis and apply basic principles suitable for attacking and defending. • Take part in gymnastics activities. • Take part in athletics activities. • Perform dances. • Take part in outdoor and adventurous activity challenges both individually and within a team. • Swimming and water safety: take swimming instruction either in Key Stage 1 or Key Stage 2.

5. Assessment and Recording

As in all other areas of the curriculum, assessment is an integral part of the teaching process. Formative assessment is used to guide the progress of individual pupils in physical education. It involves identifying each child's progress in each aspect of the curriculum, determining what each child has learned and what should therefore be the next step in their learning. At Hayton we use Depth of Learning to support teacher assessment. Children's progress in physical education is reported to parents through the pupil reports and parents' evenings.

		Milestone 1	Milestone 2	Milestone 3
To develop practical skills in order to participate, compete and lead a healthy lifestyle	Games	<ul style="list-style-type: none"> • Use the terms 'opponent' and 'team-mate'. • Use rolling, hitting, running, jumping, catching and kicking skills in combination. • Develop tactics. • Lead others when appropriate. 	<ul style="list-style-type: none"> • Throw and catch with control and accuracy. • Strike a ball and field with control. • Choose appropriate tactics to cause problems for the opposition. • Follow the rules of the game and play fairly. • Maintain possession of a ball (with, e.g. feet, a hockey stick or hands). 	<ul style="list-style-type: none"> • Choose and combine techniques in game situations (running, throwing, catching, passing, jumping and kicking, etc.). • Work alone, or with team mates in order to gain points or possession. • Strike a bowled or volleyed ball with accuracy. • Use forehand and backhand when playing racket games.

			<ul style="list-style-type: none"> • Pass to team mates at appropriate times. • Lead others and act as a respectful team member. 	<ul style="list-style-type: none"> • Field, defend and attack tactically by anticipating the direction of play. • Choose the most appropriate tactics for a game. • Uphold the spirit of fair play and respect in all competitive situations. • Lead others when called upon and act as a good role model within a team.
	Dance	<ul style="list-style-type: none"> • Copy and remember moves and positions. • Move with careful control and coordination. • Link two or more actions to perform a sequence. • Choose movements to communicate a mood, feeling or idea. 	<ul style="list-style-type: none"> • Plan, perform and repeat sequences. • Move in a clear, fluent and expressive manner. • Refine movements into sequences. • Create dances and movements that convey a definite idea. • Change speed and levels within a performance. • Develop physical strength and suppleness by practising moves and stretching. 	<ul style="list-style-type: none"> • Compose creative and imaginative dance sequences. • Perform expressively and hold a precise and strong body posture. • Perform and create complex sequences. • Express an idea in original and imaginative ways. • Plan to perform with high energy, slow grace or other themes and maintain this throughout a piece. • Perform complex moves that combine strength and stamina gained through gymnastics activities (such as cartwheels or handstands).
	Gymnastics	<ul style="list-style-type: none"> • Copy and remember actions. • Move with some control and awareness of space. • Link two or more actions to make a sequence. • Show contrasts (such as small/tall, straight/curved and wide/narrow). 	<ul style="list-style-type: none"> • Plan, perform and repeat sequences. • Move in a clear, fluent and expressive manner. • Refine movements into sequences. • Show changes of direction, speed and level during a performance. • Travel in a variety of ways, including flight, by transferring weight to generate 	<ul style="list-style-type: none"> • Create complex and well-executed sequences that include a full range of movements including: <ul style="list-style-type: none"> • travelling • balances • swinging • springing • flight

		<ul style="list-style-type: none"> • Travel by rolling forwards, backwards and sideways. • Hold a position whilst balancing on different points of the body. • Climb safely on equipment. • Stretch and curl to develop flexibility. • Jump in a variety of ways and land with increasing control and balance. 	<p>power in movements.</p> <ul style="list-style-type: none"> • Show a kinesthetic sense in order to improve the placement and alignment of body parts (e.g. in balances experiment to find out how to get the centre of gravity successfully over base and organise body parts to create an interesting body shape). • Swing and hang from equipment safely (using hands). 	<ul style="list-style-type: none"> • vaults • inversions • rotations • bending, stretching and twisting • gestures • linking skills. <ul style="list-style-type: none"> • Hold shapes that are strong, fluent and expressive. • Include in a sequence set pieces, choosing the most appropriate linking elements. • Vary speed, direction, level and body rotation during floor performances. • Practise and refine the gymnastic techniques used in performances (listed above). • Demonstrate good kinesthetic awareness (placement and alignment of body parts is usually good in well-rehearsed actions). • Use equipment to vault and to swing (remaining upright).
	Swimming	<ul style="list-style-type: none"> • Swim unaided up to 25 metres. • Use one basic stroke, breathing correctly. • Control leg movements. 	<ul style="list-style-type: none"> • Swim between 25 and 50 metres unaided. • Use more than one stroke and coordinate breathing as appropriate for the stroke being used. • Coordinate leg and arm movements. • Swim at the surface and below the water. 	<ul style="list-style-type: none"> • Swim over 100 metres unaided. • Use breast stroke, front crawl and back stroke, ensuring that breathing is correct so as not to interrupt the pattern of swimming. • Swim fluently with controlled strokes. • Turn efficiently at the end of a length.
	Athletics	<ul style="list-style-type: none"> • Athletic activities are combined with 	<ul style="list-style-type: none"> • Sprint over a short distance up to 60 	<ul style="list-style-type: none"> • Combine sprinting with low hurdles

		games in Years 1 and 2.	metres. <ul style="list-style-type: none"> • Run over a longer distance, conserving energy in order to sustain performance. • Use a range of throwing techniques (such as under arm, over arm). • Throw with accuracy to hit a target or cover a distance. • Jump in a number of ways, using a run up where appropriate. • Compete with others and aim to improve personal best performances. 	over 60 metres. <ul style="list-style-type: none"> • Choose the best place for running over a variety of distances. • Throw accurately and refine performance by analysing technique and body shape. • Show control in take off and landings when jumping. • Compete with others and keep track of personal best performances, setting targets for improvement.
	Outdoor and adventurous activities	<ul style="list-style-type: none"> • Offered when possible with support from outside agencies. 	<ul style="list-style-type: none"> • Arrive properly equipped for outdoor and adventurous activity. • Understand the need to show accomplishment in managing risks. • Show an ability to both lead and form part of a team. • Support others and seek support if required when the situation dictates. • Show resilience when plans do not work and initiative to try new ways of working. • Use maps, compasses and digital devices to orientate themselves. • Remain aware of changing conditions and change plans if necessary. 	<ul style="list-style-type: none"> • Select appropriate equipment for outdoor and adventurous activity. • Identify possible risks and ways to manage them, asking for and listening carefully to expert advice. • Embrace both leadership and team roles and gain the commitment and respect of a team. • Empathise with others and offer support without being asked. Seek support from the team and the experts if in any doubt. • Remain positive even in the most challenging circumstances, rallying others if need be. • Use a range of devices in order to orientate themselves. • Quickly assess changing conditions and adapt plans to ensure safety comes first.

6. Inclusion

All children are actively encouraged to participate. (See teaching and learning)

7. Resources

The majority of the sports equipment is found in the Summer Shed on the School field and the PE cupboard in the school hall. The EYFS classroom has additional equipment stored in their setting.

8. Health and Safety

Children should be working in a safe environment, both in and out of the classroom. This can be monitored through staff training.

9. Extra-Curricular Activities

We offer a wide range of opportunity. (See teaching and learning)

10. Staff Development and Training Opportunities

External support from outside agencies to teach the teachers e.g. Newcastle Falcons, partnership work with Carlisle United Football Club
